

628 SERIES FOR 1¼" X 1¼" FLATPACK CARRIERS

- Beryllium Copper contacts plated with 30 microinches of select gold
- Latch hold down prevents carrier bowing at elevated temperatures
- Non-corrosive, stainless steel latch that's easy-to-operate
- Reduced-force contacts eliminate damage to device leads
- Smooth, radius-probing contacts
- Long-lasting metal latch and hinge pins
- For temperatures up to 150°C
